Fire officials look on as local firefighters take control of smoldering embers from a fire which destroyed Memories Lounge yesterday.

## Fire destroys local 'Memories'

By AMANDA WILSON  
ANP Staff Writer

Memories Lounge on the corner of Wayne and Ecorse is currently closed for business due to damage caused by a fire yesterday.

Although the cause of the blaze is yet unknown, it was determined accidental, according to fire officials.

"We investigated the site and found no indication of anything out of the ordinary," said William Greenslait, Romulus fire chief.

Local firefighters received a call regarding the fire at approximately 5:30 a.m. Because of the seriousness of the blaze, both fire stations two and three responded, also calling in support from Fire Station Four.

Within two hours, the fire was brought under control. An additional three hours was needed to stop the smoldering.

"Because of the extent of the damage, the building must be torn down," Greenslait said. "It was a total loss."

One fireman did sustain in-

juries due to heat exhaustion from the fire but was released from the hospital later that afternoon, according to Greenslait. No other injuries were reported.

Employees and some local residents who frequented the lounge were on hand at the site.

"It's really sad to see this happen," said one employee. "I have been working here for three years and it was a great place to work."

"There was standing room only on a lot of the nights," another said. "It was a very popular night club in Romulus and it will be sorely missed by a lot of us."

"It was strange to fight this fire, because I was just at the night club five days ago, and I come here often," said Mark Willhide, volunteer firefighter. "It's really a shame."

Memories proprietor Al Acker was shocked when he heard about the fire, but he does plan to rebuild, hopefully at the same location.

"I plan to be back in business within six months to a year," he said.

## Area student acts as state attorney general

By AMANDA WILSON  
ANP Staff Writer

After a four-day campaign complete with posters, delegates and speeches, Steven Yates, 17, of Romulus was appointed state attorney general on June 16.

Of course, it didn't matter to him that he will serve a make-believe state or that his new title was part of the 53rd annual American Legion Boys State Program.

The important thing is he had the time of his life.

"We didn't just get to learn about the government, we got to be the government," Yates said. "We actually ran the 51st state of the union, Boys State."

Complete with scenarios of

problems that could actually be faced, the program taught the 900 high school students from across the state how politics and city, county and state governments function.

"The Boys State Program duplicated the very process by which the government in Michigan and in Washington, D.C., operate," said John Domas, Romulus High School counselor. "Each boy also learned the priceless lesson of team participation while maintaining his own individuality."

In addition to taking on the "every day" problems of the government, students had a chance to meet Gov. John Engler and Lt. Gov. Connie Binsfeld.

They also had an opportunity

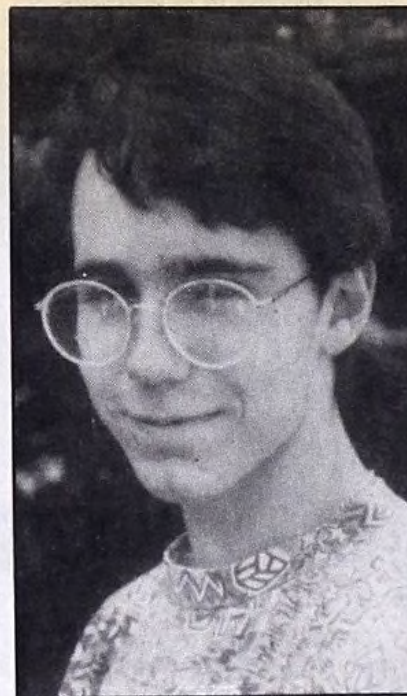

to tour the capitol and meet with state senators and state representatives.

"And I got to see the office of the Michigan state attorney general," said Yates.

Whether or not the boys who attended the program become directly involved in the actual political process in the future, each one of them now has an idea that anything for the common good is achievable in our system, according to Domas.

"Perhaps, more importantly, they now know how to achieve that common good through a peaceful and orderly process," he said.

"There's no better way to learn something than by hands-on experience, and that's definitely how the Boys State

Steven Yates

program taught us," said Yates. "Acting as the state attorney general is an experience I'll never forget."

## Abortion issue may be school topic

Students may be receiving more than the expected education in the coming school year.

A new law passed March 28 requires each pupil in grades six through 12th receive written information at the start of each school year regarding the issue of abortion.

The law states each student be provided a notice which explains that written consent must be obtained from a parent or legal guardian before an abortion can be performed on any unemancipated minor.

"An emancipated minor is a person under the age of 18 who is not married, not on active duty in the armed services or who has not been declared to have the rights and responsibilities of an adult by a court,"

the proposed notice states.

It goes on to inform the children the law also provides a judicial alternative to parental consent, which entails getting a waiver from a probate court. A list of probate courts serving each particular school district is then provided.

"It's like a law with a Catch 22," said Terry LeCesne, Romulus assistant superintendent. "The law says that students must be informed of the parental right of consent but also tells them the right can be waived."

He went on to say the law may be repealed and he is not yet sure whether or not Romulus schools will provide the information in the upcoming school year.

## Program makes dreams come true

By AMANDA WILSON  
ANP Staff Writer

One child dreams of becoming a fireman, another a nurse and yet another an astronaut, ready to land on the moon.

As children, career decisions are easy to make. As young adults aware of responsibility, the issue becomes a little more complex.

In order to help their students, Romulus Senior High counselors have invented the Mentorship Summer Enrichment Program.

The program is available to students who are interested in being placed with an adult role model or "mentor" in an occupational career of their choice, according to Linda Bowman, project manager.

"It's a great opportunity for the students to work firsthand in the field of their choice so they may decide whether or not it's the career they want to pursue," she said.

The five-week program, which began this month, is co-sponsored by Bowman at the high school and Kate Conway

of the Romulus Adolescent Health Center. It is designed to allow students the opportunity to work with their mentor one day a week.

"The kids this year will work in fields such as construction, landscaping, law, nursing, architecture and veterinary science," said Bowman.

In addition to learning more about their career choice, speakers are scheduled to come in to present workshops designed to help the students in several different areas of their lives.

"For example, we will have Brian Townsend, a University of Michigan football star, who

will speak to the children on the issues of coping with peer pressure and staying away from drugs and alcohol," Bowman said.

Additional seminars will include: "How to Get a Job and How to Act on the Job," presented by Judy Villet from Number One Personnel Placement in Dearborn; "Resolving Conflicts Peacefully," presented by John Robertson from the Wayne State University Center for Peace and Conflict; "Self Esteem and Coping with Stress," presented by a counselor from the Romulus Adolescent Health Center; and "How to be a More Successful Student," presented by Joseph Leavell of United Generation Council.

Three field trips are also planned as part of the program, and a craft-making event and program wrap-up party will complete the project.

"Hopefully, this complete program helps the students to become more successful so they may achieve the goals they have set for themselves," Bowman said.

"We're hoping that this variety of subjects will help the kids deal with these problems before they arise," Bowman said.

## Albeana Pierce

When Albeana Pierce sees the sky light up with fireworks and hears the bands play *Yankee Doodle*, she knows it's time to light the candles on her birthday cake.

The Belleville retiree plans to celebrate her 73rd birthday on July 4 with a potluck dinner with her family and a decorated birthday cake.

"When I was growing up, we didn't do much celebrating on birthdays. I was the middle child in a big family, and we were too poor for big celebrations," Pierce said. "The Fourth of July was a big holiday when I was a child. We always had fireworks and everybody celebrated. I think it was more of a holiday at that time than now."

Pierce said her two children, five grandchildren and seven great-grandchildren don't say much about her birthday celebration before the event, but every Fourth of July they gather for a potluck dinner and birthday cake.

"My family won't let me forget my birthday. We always have a good meal and they make a big to-do of it," the Van Buren Township resident said.

Pierce moved from her Detroit home following her retirement and moved into a mobile home in Van Buren Township. She is a member of the September Days Senior Center group, and will celebrate her birthday along with all of the other seniors born in July at a luncheon celebration.

"I don't know if being born on the Fourth of July made a big difference in my life. I always fly the flag, and I've always been loyal to America," Pierce said.

Earl Greene, of Canton, (right) was also born on the Fourth of July. Helen Hay, of Romulus, (below) hangs a flag outside her door. Photo by ANP photographer Deanne DeYonker.

## P.J. Donovan

You could say P.J. Donovan of Canton was born with a bang.

Donovan, who will turn 62 tomorrow, said his birth came as a surprise to his father who was on the golf course for the holiday.

"People used to call me a big firecracker," he said, adding that a great thing about his notable birthdate is nobody can forget it. "It doesn't mean so much to me, but a lot of people remember it more because it's on the Fourth of July. It has gotten me a few extra presents."

For the past 35 years, Donovan has celebrated his birthday while spending time up north at Bellaire Lake near Shanty Creek. This year, however, he will have dinner with his wife, Carol.

Canton residents (above) P.J. Donovan and Ervin Domzal proudly display the American flag. Both were born on the Fourth of July. Albeana Pierce (upper left) hangs an American flag outside of her house. Photo by ANP staff photographer Deanne DeYonker.

## Helen Hay

You can almost tell by listening to her that her birthday is on the Fourth of July. It's as if the spirit of the holiday was born into her.

With American flags adorning her house inside and out, and always a patriotic story to

## Ervin Domzal

Canton Township resident Ervin Domzal, 74, said that during most of his Fourth of July birthday celebrations, "I was never starved for fireworks. Back when I was growing up, they used to hold a fireworks display in front of our house."

Along with the celebrations comes a fair amount of kidding

## Dorothy Evans

She was called the 'fireworks child'.

Born on the 4th of July, Dorothy Evans, nee Oden, loved the exciting, colorful and explosive displays associated with Independence Day.

"When I was very young," Evans recalls, "I thought the fireworks were for my birthday, but, of course, I later learned that it was because of

## Brian Brown

When Wayne resident Brian Brown celebrated his July 4 birthday as a child, he believed the fireworks were part of his birthday party.

Brown is 22 years old today, and has a more patriotic feeling about being born on July 4.

"When I was a kid, I had sparkles on my cake and my friends would dress up in bright colors," Brown said. "As I grew older, I found out the fireworks were for the nation. Now, I feel really special about being born on July 4."

Brown's 18th birthday is one of his fondest memories. Instead of receiving all the toys and games, his parents Mike and Mary gave Brown gifts for college.

for Domzal.

"Every time I mention the fact that I'm born on the Fourth of July, I always get kidded about it. They call me Mr. All-American," he said.

You can usually find Domzal at the Canton Senior Center for many social events, but tomorrow he will be spending his birthday enjoying the Plymouth-Canton parade and dinner with his wife, Lucille.

the holiday.

"I wasn't really disappointed when I found out why they created all of the noise, but it was fun to think that it was because it was your birthday."

The fireworks has always been 'awesome', the native of Sulria, Alabama noted. Something one never forgets.

"The Fourth is really a wonderful holiday, isn't it?" she asks rhetorically.

has lived on her family's 80-acre property all her life. And she has no intentions of ever leaving.

"My forefathers settled on this property and most of my family, including me, was born here," said Hay. "During the depression, some of our land had to be sold, but I dedicated myself to getting the original property back, and I did it."

It may no longer grow apple and cherry orchards or house sheep and cattle as it once did, but Hay's Romulus property remains a family gathering place with an atmosphere full of love and allegiance.

"We gather here to celebrate occasions, especially the Fourth of July," said Hay. "It's a holiday that represents family and love - a celebration of freedom and heritage."

But Independence Day isn't the only time Hay celebrates liberty. To her, it's a daily practice.

tell, Helen Hay distinguishes herself as 100 percent "Made in the U.S.A."

"To me, America means freedom," she said. "This is a land of opportunity with a heritage to be proud of and I can't imagine not being a part of it."

Born in Romulus in 1920, Hay

If you celebrate your birthday on the Fourth of July, every Independence Day is a personal red, white and blue spectacular.

For some, it is a special reason to display their patriotism, but for others the fireworks on July 4 overpower the candles on their birthday cakes.

This year, the country celebrates the 215th anniversary of the signing of the Declaration of Independence, which also marked the birth of a new nation from the 13 colonies.

The thought of being a Yankee Doodle Boy so intrigued songwriter George M. Cohan that he added one day to his July 3, 1878 birth date so he could claim to be born on the Fourth of July.

Cohan, the son of vaudevillians, is recognized as the father of the American musical comedy. The playwright-producer-songwriter is best known for the World War I patriotic songs, *Over There*, which he wrote in 1917, and *You're a Grand Old Flag*.

He was awarded a Congressional medal in 1941 for his patriotic music, and 18 years later a statue of him was erected in Duffy Square, New York City, all of which makes one wonder if he could have achieved his honors without changing his birthday.

Calvin Coolidge, known as Silent Cal, didn't talk much about his birthday. In fact, most people are not aware that the 30th president of the United States was born on Independence Day, and that his full name was John Calvin Coolidge.

Coolidge as born July 4, 1872, and served as mayor of Northampton, Mass., state senator, lieutenant governor and governor before being elected vice president on the Republican ticket with William Harding. He stepped into the Presidential post following Harding's death and was elected President by a large majority when he ran for the office in 1924.

Current politicians might attempt to copy Coolidge's feat of reducing the national debt by \$2 billion in three years during the mid-1920s, an achievement that boosted his popularity considerably.

The most remembered quote from the only President born on the Fourth of July was made prior to the 1928 election when he said, "I choose not to run."

Ron Kovic, about whom the Academy Award-winning film, *Born on the Fourth of July* was written, found that being born on Independence Day was an awesome burden. His zealous patriotism during his military service in Vietnam turned to disillusionment and ultimately pacifism after he was severely wounded in the war.

Among the other July 4 birthday celebrators are playwright Neil Simon, author Lionel Trilling, twin advice columnists Ann Landers and Abby Van Buren and a sportscaster with the unlikely name of Emerson Boozier.

Perhaps, not as notable, but more familiar, are a group of western Wayne County residents, featured on this page, who also were born on the Fourth of July.

A red, white and blue birthday to all.

## Earl Greene

Earl Lee Blair Greene, 91, a Canton Township resident for the past 41 years, has seen enough Fourth of July birthday celebrations to compile his own list of advantages to being born on the holiday.

First of all, it's easily remembered and second, it can't be changed to Monday for a three-day weekend. And, as Greene said, "It has given the opportunity to my children and grandchildren to draw very imaginative wrapping paper."

Greene, who was born in Chicago in 1899, said he is also eligible to sing "I'm a Yankee Doodle Dandy-Born on the Fourth of July" with George M. Cohen.

## Becky Conley

Until she was 10 years old, Becky Conley of Westland, thought the fireworks were a tribute to the fact she was born on the Fourth of July.

Conley's mother will never forget the day her daughter was born. Not many people can say their birth was attended by the mayor of their city but Conley, 29, was delivered at a fireworks display by the mayor of Brighton, Steven Wilkenson,

who was also a Brighton physician.

"I remember my mom would always buy doll cakes dressed like Uncle Sam," Conley said.

Aside from the day she was born, her 14th birthday stands out. "On my 14th birthday, I received a letter from President Gerald Ford, wishing me a happy birthday," Conley said.

Nowadays, she doesn't celebrate with an Uncle Sam cake, but Conley still enjoys watching the fireworks display in Westland.

## CITY OF ROMULUS ZONING - APPENDIX A

### ARTICLE XIV

#### AMENDMENT 1.113

An Ordinance to Amend Appendix A, the Zoning Ordinance of the City of Romulus Code of Ordinances Article XIV, Section 14.02, by Creating and Adding Subsection F, for the Purpose of Bringing the Code Into Harmony With the State of the Law; and Further, to Amend 14.03D and Section 14.03D[E] to Eliminate Confusion Within the Code.

The City Council, having had the opportunity to review the research and recommendations presented by the Planning Commission, makes the following findings:

A. The presence of adult uses (defined in finding paragraph G, below) frequently results in an increase in sex related crimes, to include prostitution, and to an increase in sexual liaisons of a casual nature;  
B. The concern over sexually transmitted disease is a legitimate health concern which demands a reasonable regulation of adult use businesses in order to protect the health and well-being of the citizens;  
C. There is considerable, convincing evidence that adult uses, because of their very nature, have a deleterious effect on the surrounding areas, resulting in a decline in property values and an increase in crime;

D. Adult uses, because of their nature, have operational characteristics that are objectionable, particularly when located in close proximity to same or similar uses, thereby contributing to an increase in blight and the lowering of the quality of urban life;

E. There is no intent on the part of the Council to suppress or otherwise chill any activity protected by the First Amendment, but to enact a content Neutral Ordinance which addresses the secondary effects of adult uses;

F. The Council desires to control and minimize the adverse impact of adult uses on surrounding areas, thereby preserving the quality of urban life, deter the spread of blight and to preserve property values.

G. As used here, the term Adult Use or Adult Use Business means Adult Bookstore, Adult Motion Picture Theater, Adult Mini Motion picture Theater, Cabaret, Escort Service, Massage Parlor, Massage School, Nude Body Painting or Modeling Studio, all of which are more specifically defined in Article II, Section 2.02 of the Zoning Ordinance.

Because of the experiences of cities such as Detroit, Michigan and Warren, Michigan, the Council is concerned with the deleterious effect on surrounding areas when adult uses develop. The Council is concerned with the spread of blight.

Due to the results of research conducted in Warren, Michigan; Amarillo, Austin and Beaumont, Texas; Indianapolis, Indiana; St. Paul, Minnesota; and Phoenix, Arizona, the Council is convinced that an adverse impact would be experienced in areas surrounding adult uses in this City. Because of the certainty of this adverse impact, the Council finds it necessary to regulate these uses. Such regulation is to be achieved by this Ordinance.

The stated purpose of this Ordinance is to regulate adult uses in order to promote the health, safety and general welfare of the citizens of this City and to protect against the spread of blight and to preserve the quality of suburban life. The provisions of this Ordinance have neither the purpose nor effect of limiting or restricting the content of any speech, expression or communication. Nor does this ordinance restrict or deny access by adults to such materials and communication as is protected by the First Amendment. This Ordinance does not condone or legitimize the distribution of obscene material.

NOW THEREFORE:

THE CITY COUNCIL OF THE CITY OF ROMULUS ORDAINS:

Section 1. **SHORT TITLE:** This Ordinance shall be known and cited as the Amended Zoning Ordinance.

Section 2. Article XIV, Section 14.02 is amended to include Subsection F, et seq. and shall read as follows:

F. Adult Bookstore, Adult Motion Picture Theater, Adult Mini Motion Picture Theater, Cabaret, Escort Service, Massage Parlor, Massage School, Nude Body Painting or Modeling Studio, as defined in Article II, Section 2.02, provided that such use shall not be located within:

- a. Five hundred feet (500') of any single family or multiple family residential zone;
- b. Five hundred feet (500') of any public or private school;

- c. Five hundred feet (500') of any church or other religious facility or institution;
- d. Five hundred feet (500') of any public park.
- e. One thousand feet (1000') of any other adult use.

2. The distances provided for in this section shall be measured by following a straight line, without regard to intervening buildings, from the nearest point of the lot (as described in Section 2.02) upon which the proposed use is located, to the nearest point of the lot or land use district boundary line from which the proposed use is to be separated.

3. In order to ensure the safety and protection of the public, if the proposed use contemplates the display of films, video or other motion pictures, or qualifies as an Adult Motion Picture Theater or Adult Mini Motion Picture Theater, as defined in Section 2.02, then in addition to the requirements of Section 14.06, the use shall comport with the standards for theaters, as specified in Section 6.06 B(1) and with the BOCA Code under Use Group A-1 Theaters, found at Article 3, Section 302.2 of the said BOCA code.

4. In order to protect against the risk of transmission of disease and the development of unsanitary conditions, if the proposed use qualifies as an Adult Motion Picture Theater or as an Adult Mini Motion Picture Theater and has, or is equipped with individual booths for viewing of films, videotape or dancers, or for conversation with employees, agents or dances, the booths shall:

- a. Be located in a manner to provide an unobstructed view from the manager's desk or duty station;
- b. Be limited to one occupant at a time;
- c. Not be equipped with doors, curtains, screens or any other means of closing said booth from view.

5. Display of materials offered for sale use or viewing, shall not be visible from any vantage point outside the building.

6. Any exterior advertising shall be limited to signage that complies with the Romulus Sign Ordinance and with Section 4.26 of this Ordinance.

7. Violation of any Use Provision in this subsection shall constitute a Public Nuisance per se, which shall be abated by the City Attorney, by way of civil abatement proceedings.

Section 3. Appendix A, Article XIV, Section 14.03 D. of the Zoning Ordinance is hereby repealed in its entirety.

Appendix A, Article XIV, Section 14.03 D.[E] is hereby amended to read, and be designated as, Section 14.03 D.

Section 4: That the City Council may, by resolution, adopt such rules and regulations as it may deem necessary to administer the terms of this article.

#### Section 5: Penalties

That any user, whether residential or commercial, who knowingly, willfully, or negligently, fails to comply with this article, shall be guilty of a misdemeanor, and shall be subject to a fine not to exceed five hundred (\$500.00) dollars for each violation. Each day on which a violation shall occur or continue, shall be deemed a separate and distinct offense. In addition, if any user refuses to discontinue such violation, he shall be subject to termination of water service during the continuance of any emergency.

#### Section 6: Severability

Should any clause, sentence, paragraph, sub-section or section of this Article be declared void or otherwise invalid, for any reason, by any court, such declaration shall not affect any portion of this Article other than the part specifically declared to be void.

#### Section 7: Effective Date

This ordinance shall become effective immediately upon publication in the official newspaper.

Linda R. Choate, CMC, Clerk  
City of Romulus, Michigan

ATTEST: Beverly McAnally, Mayor

Within forty-five (45) days after the publication of any ordinance duly passed by the Council, a petition may be presented to the Council protesting against such ordinance continuing in effect. Said petition shall contain the text of such ordinance and shall be signed by not less than six percent (6%) of the registered electors registered at the last preceding election at which a Mayor of the City was elected. Said ordinance shall thereupon and thereby be suspended from operation and the Council shall immediately reconsider such ordinance.

# Rodeo will highlight entertainment at Sumpter Fest

By JOAN DYER-ZINNER  
Belleville City Editor

In just two weeks, the 15th annual Sumpter Country Fest will open to crowds of area residents seeking an old-fashioned festival with a country flavor.

To add a twist to the traditional festival events, Sherman Arnold will gyrate to the music of Elvis Presley, as he performs his Tribute to Elvis at 8 p.m. June 21.

At noon July 20, a parade will march from Judd and Sumpter roads to the Sumpter Community Center via Sumpter Road.

Slated again this year are the International Professional Rodeo Association-sanctioned Wagon Wheel championship rodeo, entertainment by country singer Tracey Lynne, music from country to rock by the Strings 'n' Things Band and a smashing performance by the USA Demolition Derby.

A Saturday night fireworks display is scheduled after the rodeo performance.

Sumpter Township Supervisor Marvin Banotai is crossing his fingers that a surprise event can be staged.

"The event is something that

hasn't been done before in this area, and I think it would really be a popular attraction. Negotiations are going on now for it, and I can't give any more information at this time, but I'm sure it will be a hit if we can stage it," said Banotai.

"The Country Fest will be bigger and better than ever this summer, and many novel ideas are being added to the schedule of event," said Mary Kalasz, rodeo chairwoman.

A fashion show and gospel singing event are planned by Sheena Green and Christy Darty. In addition, an amateur night is also in the planning stage, according to Nancy Kirchner.

From July 19 through 21, live bands, a carnival, chili cook-off, casino, dancing, pony pulls, kiddie tractor pulls and other events are slated.

The schedule of events for the three-day festival includes the following activities and performers:

• July 19, Carnival, 5 p.m. to 11 p.m.; Dill Rods new wave group from 5 p.m. to 7 p.m.; bingo from 5 p.m. to 11 p.m.; casino, 6:30 p.m. until midnight; Wagon Wheel rodeo at 8

p.m.; and singer Tracey Lynne from 8 p.m. to 1 a.m.

• July 20, Pancake breakfast, 7 a.m. to 2 p.m.; pony pull, 10 a.m. to 1 p.m.; horseshoe pitching tournament, 9 a.m.; arts and crafts, 11 a.m. to 8 p.m.; parade at noon; carnival from noon to 11 p.m.; bingo from 3 p.m. to 11 p.m.; casino, noon to

midnight; chili cookout, 3 p.m.; Bobby Hutch and the Grand Ole Opry Band, noon to 4 p.m.; disc jockey Dina Harding, 2 p.m. to 4 p.m.; fashion show, 3:30 p.m. to 4:30 p.m.; amateur night, 5 p.m. to 7 p.m.; Wagon Wheel Rodeo, 8 p.m.; Strings 'n' Things Band, 8 p.m. to 1 a.m.; Teen dance, 8 p.m.;

and fireworks display, 10 p.m.

• July 21, pancake breakfast, 7 a.m. to 2 p.m.; arts and crafts booth, 11 a.m. to 8 p.m.; classic car show, noon to 5 p.m.; kiddie tractor pull, 2 p.m. to 4 p.m.; carnival, bingo and casino from noon to 11 p.m.; Country Class dance, 4 p.m. to 10 p.m.; U.S. Demolition Derby, 7 p.m.;

gospel music, 7 p.m.; and Elvis impersonator Sherman Arnold from 8 p.m. to 1 a.m.

At 7 p.m. July 12, a queen will be selected to reign over the festival. Miss Sumpter Rodeo Queen will be chosen from a group of Sumpter Township young women at the Sumpter Community Center.

## CITY OF ROMULUS CHAPTER 20

### Article IX, Division 1

An Ordinance to Amend Chapter 20, Article IX, Division 1 of the Code Of Ordinances by the Addition of a Section 20-276 For the Purpose of Regulating the Use of Intoxicants and Other Controlled Substances at Open House Parties Within the City of Romulus.

WHEREAS: The Romulus City Council finds that the uncontrolled use of intoxicants and other controlled substances by minors creates social problems in many communities throughout the nation, including within the City of Romulus; and

WHEREAS: The use of intoxicants and other controlled substances by minors have deleterious effects on those minors as well as on the general public, including personal injuries and property damage caused by persons operating motor vehicles while under the influence of intoxicants or other controlled substances; and,

WHEREAS: The Romulus City Council finds that adult regulation of open parties could significantly reduce the problems associated with the abuse of intoxicants and other controlled substances by minors; and

WHEREAS: The regulation of such open house parties by adults can be achieved by the acceptance of responsibility for such open house parties by adult owners, renters, lessees or occupants in control of premises where such parties occur;

NOW THEREFORE, THE CITY OF ROMULUS, WAYNE COUNTY, MICHIGAN DOES HEREBY ORDAIN:

Section 1. Short Title: This ordinance shall be known and cited as the amended Offenses Ordinance.

Section 2. Chapter 20, Article IX, Division 1 is hereby amended by the addition of a new Section to be known as Section 20-267 and shall read as follows:

Section 20-267 Regulation of Open House Parties

(a) For the purpose of this section:

(1) "Adult" means a person seventeen (17) years of age, or older.

(2) "Intoxicants" means any alcoholic beverage containing more than 1% of ethyl alcohol by weight, as determined in accordance by M.C.L. 436.2, as such may be amended.

(3) Minor means any person who may not legally possess alcoholic beverage, because of his or her age, pursuant to M.C.L. 436.33 b.

(4) "Residence" or "Premises" means any motel or hotel room, home, apartment, condominium or any other dwelling unit, or any banquet hall, meeting room or other place of assembly, whether occupied on a temporary or permanent basis, whether occupied as a dwelling or for a specific social function and whether owned, leased or rented, or used with or without compensation.

(5) "Open House Party" means a social gathering of persons at a residence, such persons being other than the owner or those with possessory rights or their immediate family.

(6) "Controlled Substance" means any substance contained within any schedule or as defined by M.C.L. 335.301-367, including prescription medications, if abused.

(7) "Control" means dominion or the ability to regulate or to exercise possessory rights, including the right to preclude or prevent entry or to eject.

(b) No adult who has control or right of control of any residence or other premises shall allow an open house party to take place at that residence or upon those premises if any intoxicants or other controlled substance is possessed or consumed at that residence or premises by any minor where the adult knew, or reasonably should have known that intoxicants or other controlled substance was in the possession of or being consumed by a minor at the residence or premises, and where the adult failed to take reasonable steps to prevent such possession or consumption.

(c) The provisions of this section shall not apply to legally protected religious observance or legally protected educational activity.

(d) Any person who violates this section shall be guilty of a misdemeanor.

Section 3. **CONFLICTING PROVISIONS REPEALED:** Should any section, clause or provision of this ordinance be declared by the Court to be invalid, the same shall not affect the validity of this ordinance as a whole or any part thereof, other than the part so declared to be invalid.

Section 4: **Severability**

Should any clause, sentence, paragraph, sub-section or section of this Article be declared void or otherwise invalid, for any reason, by any court, such declaration shall not affect any portion of this Article other than the part specifically declared to be void.

Section 5: **Effective Date**

This ordinance shall become effective immediately upon publication in the official newspaper.

Linda R. Choate, CMC, Clerk  
City of Romulus, Michigan

ATTEST:

Beverly McAnally, Mayor

Within forty-five (45) days after the publication of any ordinance duly passed by the Council, a petition may be presented to the Council protesting against such ordinance continuing in effect. Said petition shall contain the text of such ordinance and shall be signed by not less than six percent (6%) of the registered electors registered at the last preceding election at which a Mayor of the City was elected. Said ordinance shall thereupon and thereby be suspended from operation and the Council shall immediately reconsider such ordinance.

## Silver Sounds offers service

Silver Sounds is a professional D.J. service that is new to the area.

The firm is a partnership owned by Lori Ferkovich and Nick Kulka with offices located in Wayne, Westland, Plymouth Township and now Canton Township.

"Silver Sounds has been around since 1979," Kulka said. "Since then, Lori and I have turned the company around to franchise it by 1992."

The partners plan to open three more offices by mid-July.

Silver Sounds employs 21 D.J.s and is capable of hosting nine parties a day. Its music library contains more than 6,000 titles, ranging from big band to jazz to pop.

Silver Sounds offers reduced rates for non-profit or community organizations, Kulka said. It also offers many perks to all its clients, including the "Pre-Party Party Plan." This gives clients up to 75 percent off the price of rehearsal dinners and showers.

Kulka said their motto at Silver Sounds is: "The clients are the boss; the choices are their's."

## New weather device debuts

Travelers in recreational vehicles can check outdoor temperatures without opening a window or door.

The Airguide Weather Station, a three-way information center with easy-to-read digital numerals, updates interior or exterior temperature changes every three seconds. The station monitors temperatures from minus 58 degrees up to 158 degrees with a built-in sensor.

The station may be set for either Fahrenheit or Celsius. It can be purchased at the Camping World Superstore, located on the Interstate-94 Service Drive, between Belleville and Haggerty roads, or obtained through the Camping World catalog, P.O. Box 9017, Bowling Green, Ky. 42102-9017.

## Fume detector now available

Campers and travelers can protect themselves from carbon monoxide fumes.

Carbon monoxide is an odorless gas that can be produced by inefficiently burned fuel from furnaces, heaters or water heaters in recreational vehicles. CoStar Carbon Monoxide Detector can keep a 24-hour watch for dangerous fumes and sound an alarm if a dangerous situation exists.

The detector can be purchased at Camping World, located on the Interstate-94 Service Drive, between Belleville and Haggerty roads, Belleville, or ordered through the Camping World catalog.

## Man earns sales award

Mans Do-It Center of Canton will receive an award for outstanding sales. The company sells top-of-the-line cabinets.

"We're really pleased with the award," said Jim Church, manager of the Kitchen and Bath Department. "Not many dealers get involved in this. It's a true sales award."

The award will be presented to the center next week in Dallas by Bertch Cabinet Manufacturing, Inc., a national supplier of cabinets.

Since the company sells a higher quality product, which costs more than most middle- or low-range cabinets, Church said the center earned the bronze plaque for outstanding sales.

## Cable channel revamps programs

It may not vie with *L.A. Law* or *The Simpsons*, but the programmers for the Van Buren Township government channel are hoping to capture a bigger slice of the viewing audience.

New programs and an expanded schedule are being planned for Channel 40.

"On July 1, we'll be going to a five-day-week schedule," said Kerry Kelly, a member of the Van Buren Township cable commission. "We'll also be introducing some new programs."

Kelly said classes are being scheduled for township residents who wish to become familiar with the video equipment. Registrations can be made by calling Sharry Budd at 699-8911 during regular business hours.

"Class members can learn to use the video camera and edit, and also can help the VBT crew to film local events," Kelly said.

## People's PLACES

People's Travel

Nikki Solak

If you haven't taken a cruise yet, you're really missing the boat! Cruise enthusiasts, without hesitation, will verify that it's the best vacation value and experience available today.

In fact, the cruise specials available right now range from the second person sailing free, to flat rates regardless of how deluxe your cabin assignment might prove to be. The large number of ships with excess capacity and the slowdown of travel has resulted in bargains never before seen in the world of cruising, but as you might expect, the excess capacity is vanishing just as quickly as word spreads. "Here today, gone tomorrow" is a fact in this case.

Choices range from the Caribbean to Mexico to the domestic waters of the South. There's Alaska, Hawaii, the New England coast and Canadian waters. You can sail the Bahamas or cruise to Bermuda, using the ship as your hotel during your stay. You can select a ship which carries almost 2000 passengers, or a small, intimate vessel limited to less than 100.

There are cruises best suited to families (and the kids will never want to do anything else again) or to singles. There are others which appeal largely to older passengers or to honeymoon couples who have discovered how romantic a cruise can be. There are so many options that you just have to tell us what you're looking for and let us do the rest.

Don't delay or you'll miss out on the best values ever.

## Drains Run Slow?

You'll never have a slow running, or clogged drain again! The secret? Clean drains don't run slow.

Slow drains, or periodic clogs, are SIGNALS that a thick layer of GOOK is choking your pipes. Grease, hair, and other waste stick to your pipes, with every use. This gook deposits along the entire length of the pipe. It chokes your pipes gradually, as it gets thicker and thicker.

Conventional drain openers can't fix slow drains. They react chemically on the surface of the gook. To be effective, they must remain in contact with the waste. Even a small tunnel in the gook lets them flow out to the sewer, leaving the gook behind.

In the past, the only way to remove this build-up was to root-er your pipes. An expensive, temporary measure.

Now, with just a few minutes each month, you can easily clean out your pipes... and KEEP them clean with Plumb Clean. Its totally unique formula clings, and penetrates deep into the gook. That is what allows it to liquefy even years of build-up. Plumb Clean will clean the entire length of your pipes. It will make your drains run like new, when used as directed. This penetrating action is so revolutionary, we stand behind Plumb Clean with a money-back guarantee!

**Saves Money.** A 1 lb. container of Plumb Clean holds up to 41 drain treatments. Even if drain openers could fix slow drains, it would take over 10 quart bottles to get the same number of treatments. Plumb Clean costs about 35¢ per treatment. We don't know of anything that cleans drains for less.

**Safe Too.** Conventional drain openers are dangerous chemicals. They can injure eyes on contact. They can release deadly vapors, in some situations. Some may damage your fixtures. Plumb Clean will not burn skin, or eyes. It will not release harmful fumes. When used as directed, it is 100% safe for people, and of course, all plumbing.

So, if your drains are giving you a SIGNAL, act now. Get safe, guaranteed Plumb Clean today! Available at:

## HEADACHE SUFFERERS TAKE NOTE

Many people needlessly endure years of suffering with headaches simply because they haven't tried chiropractic care!

Headaches often stem either from misalignment of one or more vertebrae in the upper neck or from restricted range of motion of the vertebrae.

Undue stress on the nerves, ligaments or muscles from either improper posture, physical strains, poor sleeping positions or similar causes may create headaches ranging from mild annoyances to full blown migraines.

By correcting the abnormal alignment of the vertebrae, the chiropractor gets to the root of the problem to provide lasting relief.

## 32nd annual golf tourney

### Breaking with tradition, city championships to include women's flight

By TOM MOORADIAN  
ANP Staff Writer

Breaking with more than three decades of tradition, the 1991 City Championship Golf Tournament will include women golfers.

"Over the years there have been inquiries from women who wanted to compete in this tournament but were turned away for one reason or other," said William Hawley, who has served as tournament manager for at least the past dozen years. "I believe it's time we open the competition up to them."

"Hopefully, we may get enough of a response that a separate tournament can be organized for them."

The 32nd annual amateur golf tournament, one of the

longest staged tourneys of its kind, will be conducted two-days, Saturday and Sunday, Aug. 10-11 at Fellows Creek Golf Course in Canton Township.

The two-day, 36-hole event is cosponsored by the recreation departments of Wayne, Westland, Romulus, Inkster, Canton Township and The Associated Newspapers.

Defending champ, Kevin Ryan, a 12th-hour entry, managed to successfully defend his title after scoring a three-over-par 147 to win the 1990 medalist honors. The three-time medalist from Inkster is closing in on a record held by Tom Piscopink of Wayne, who has captured the tournament time five times (1974, 1977, 1978, 1979 and 1984).

It has been an outstanding tournament over the years and some of the finest amateur men's golfers have competed in it. I believe that there will be another excellent field this year.

— William Hawley  
tournament manager

"It has been an outstanding tournament over the years and some of the finest amateur men's golfers have competed in it," recalls Hawley. "I believe that there will be another excellent field this year."

The format of the competition has not changed. There will be separate city championships conducted simul-

taneously for the participating cities. Additional flight competitions will be staged only if the total entry from any given city is sufficient, and trophies will be awarded to the top three finishers in each of the flights.

In case of a tie for a trophy, the golfers involved will hold a "sudden death" playoff.

An additional trophy will be

awarded to the individual low scorer of the entire field, the medalist.

Wayne golfers will also be competing for the Patrolman Lenny Anderson Memorial Trophy. The traveling trophy is awarded to the medalist from the city of Wayne. Patrolman Anderson was the first Wayne officer to be slain in the line of duty.

Also, the low five scorers from each of the cities and township will be eligible to play on their city team in the Michigan Parks and recreation Tournament. The state finals are usually conducted in late summer or early fall.

Any golfer who lives or works in one of the participating communities is welcomed to compete in the tournament. However, only bona fide residents

may represent a city on a team at the state championships.

There is a \$45 registration fee for the 36-hole tournament. Checks should be made out to William Hawley, tournament manager.

Entries will be accepted at the offices of the Associated Newspapers, 35540 Michigan Ave., Wayne, MI. 48184. Golfers are asked to complete the entry blank accompanying the story and mail or drop it off, along with the check, at the ANP offices.

Tee times will be published in the ANP sports section the Wednesday prior to the championship.

Golfers who need further information are urged to contact ANP staff writer Tom Mooradian (729-4000) or William Hawley.

## Inkster runners claim 5 1st places

By TOM MOORADIAN  
ANP Staff Writer

Competing in a Michigan Amateur Athletic Union track and field invitation on Saturday, Inkster runners struck gold in five events.

The meet was staged at Ypsilanti Lincoln High School. Although medals are awarded to the top three finishers, no team scores are kept.

One of the finest performances turned in by a local or area athlete was by 13-year-old Charnell Lynn, representing the Inkster Track Club.

Lynn, a Blanchette Middle School graduate who will be attending Inkster High in the fall, turned in an outstanding 12.7 for the 100-meter dash for her first gold. Then, in the 200-meter, Lynn came back with a 27.1 for her second victory.

"Charnell is a natural talent with a great future ahead of her," said coach Keith Bailey. "There are not many 13-year-olds who can run a 12.7 for the 100."

Inkster also had gold medalists in LaCrecia Tyus, George Johnson and NeShawndra Fikes.

Tyus, who is on her way to Europe to compete for a Junior USA Track and Field Team against her peers on the continent, took the 100-meters in the 17-18 age group, although she is only 16. Tyus was clocked in 12.6

Inkster Track Club coach Keith Bailey has another excellent crop of runners this season. Team members picked up five gold medals Saturday at Ypsi Lincoln, and will return to the field on July 13 in Toledo. Team members include Synobia Rahming (above, from left), team captain NaShawndra Fikes, Akeela Rahming, Coach Bailey, Reginald Kirkland, Kimmie Bynum and William Jones. Missing at the time of the photo are team members Charma Ray and Tracy Hood. Pictured at right is LaCrecia Tyus (center), who won a gold medal at Ypsi, with coaches Mary Mabry and Jenny Madison. Tyus left Tuesday for Europe with a team made up of junior U.S.A. track and field stars. She will be participating in a seven nation European track tour. Donations from local and area businessmen and friends helped defray the cost of Tyus' trip.

for the gold.

Johnson, another Inkster standout, covered the 800-meters in 2:05 for a first place, while Fikes crossed the finish line in 30 seconds flat to capture a first in the 200-meters.

Inkster was runner-up with its 11-12 year old 400-meter relay team thanks to Charma Ray, Akeela

Rahming, Kimmie Bynum and Fikes. The team dropped the baton and still managed to come back and post a 62.1 for the silver medal.

Then, Jules Garcia turned in a pair of second-place performances in the dashes. He was clocked in 11 seconds flat for the 100 and went 22 flat for the 200.

Harry Tyus, competing in

the 15-16 age bracket, was runner-up in the 400-meter hurdles (62.9), and John Coffee posted a 13.5 to finish second in the 100-meters.

Third-place bronze medals went to Fikes, in the 100-meters.

The Inkster Track Club will return to competition on July 13 when its members travel to Toledo.

## They are 'born to play ball'

Four young ball players "who were born to play baseball" have been added to the 1991 Associated Newspapers All-Area baseball team.

The players are Brian Boike and Sean Zaborowski of Belleville, Mike Stafford of Plymouth-Canton and Romulus first baseman Tim DuFore.

The All-Area Lineup was introduced last week on these pages, however, because of space limitations the photos and the stats of the four players didn't appear.

The ANP sports staff regrets the error and the confusion.

Boike, a junior who completed his second year on the Tiger varsity team, finished with a .319 batting average. He

Brian Boike

Sean Zaborowski

Tim DuFore

led the team with stolen bases with 14, and also scored 21 times. Brian had nine runs-batted-in to his credit.

"Brian was born to play baseball," said Belleville coach John Bertz. "He's a die-hard ball player, and we're looking forward to his return next season."

Boike's teammate, Zaborowski, has appeared in an All-Area lineup as a top-notch wrestler. He was a member of the Belleville team that captured the Wolverine 'A' Conference championship as well as the district and regional titles.

As a Tiger infielder, Sean contributed a .318 batting aver-

age, knocked in 11 runs and scored 16 times.

"Sean is one of my favorites," Bertz said. "He is a hard worker, and through his hard work he accomplishes much."

Stafford is only a sophomore who also has baseball in his blood. You can't yank him off

the diamond.

A 6-1, 152-pound athlete, Mike played first for Coach Fred Crissey's team. He batted .350 and made the All-Division team of the Western Lakes Conference. Stafford has also been voted one of the best fielders to come along in nearly a decade.

## Ex-cop cards hole-in-one

By TOM MOORADIAN  
ANP Staff Writer

Maybe it was the luck of golfing with a veteran who had four aces to his credit over the past 30 years or maybe it was that he was in the right place at the right time. Whatever it was, Harold Meldrum can now boast a feat that golfers only dream of.

Meldrum, a former police officer and retired lieutenant from the Wayne Police Department, scored a hole-in-hole Monday at Shady Hollow Golf Course.

Meldrum, who took up golfing "about eight years ago",

used a 7-wood to ace the 190-yard 16th hole.

"You know I ached that hole several years ago," said Richard A. Aleks, a former Wayne County deputy who was playing in the foursome. "It's ironic, isn't it, that Harold should also ace that hole?"

In fact, Aleks has scored two of his four career aces at Shady Hollow.

Up from Florida to visit friends, Aleks said he never misses an opportunity to golf with friends when he's in the area.

Completing the foursome were Justin Swartz and Adolph Smith.

Meldrum toured the 18-holes with a 93.

Brian was born to play baseball. He's a die-hard ballplayer, and we're looking forward to his return next season.

— John Bertz  
Belleville coach

Stafford carved out a name for himself on the cage court last season and will be in the nucleus of what Canton hopes to be a championship team next season.

A 3.6 student, Stafford is good at what he does "because he works at it," said nominating coaches.

DuFore also will be returning to the Eagles' lineup next season. After batting a hefty .319 in his junior year, the lanky first baseman hammered three homers and put 19 RBIs behind his name.

Jan and Lynn Tollefson of Williamsburg, Ohio, became the parents of a son, Galen Kyle Tollefson, born April 19 at Jewish Hospital in Cincinnati, Ohio.

The infant weighed 7 pounds and 8 ounces at birth and measured 20 inches in length.

Grandparents of the new arrival are Glenn and Geanne Tollefson of Escanaba, Mich., and John and Martha Johnson of Romulus.

Great-grandmothers of the baby are Lillian Lehtinen of Pelkie, Mich., and Laura Tollefson of Marquette, Mich.

This is the second child for the couple, who also have a daughter, Erika Lynn, 2.

ANNIVERSARY

Charles and Irene  
Seifert

Charles and Irene (Stearla) Seifert of Wayne celebrated their golden wedding anniversary June 28.

Joined in matrimony at Bethel Lutheran Church in Detroit, they are now members of St. Johns Lutheran Church of Westland.

The couple has three children, Kenny, Gary and Darlene; seven grandchildren and one great-grandchild.

SOON TO WED

Meyers — Hardesty

Howard and Judy Meyers of Wayne and Glenn and Earnistine Hardesty of Northville have announced the engagement of their children, Beth Ann Meyers and Michael G. Hardesty.

The bride-elect, a 1976 graduate of Wayne High School, is currently employed as a senior customer service agent with Delta Airlines.

The future groom, a 1968 graduate of South Lyon High School, is also a senior customer service agent with Delta Airlines.

The future bride has chosen a tea-length, candlelight-white lace gown with a dropped waist, princess neckline and satin bow for the nuptials.

Her maid of honor, a childhood friend, will be wearing a two-piece blush dress with a princess neckline.

The wedding is planned for July 13, 1991.

Brown — Hogg

The Reverend and Mrs. Calvin Brown of Garden City and Tom and Connie Hogg of Wayne are proud to announce the engagement of their children, Amy Rene Brown and Brian Thomas Hogg.

Amy Rene Brown is currently employed at the John H. Harland Co. in Plymouth.

A 1988 graduate of Wayne Memorial High School, Brian Thomas Hogg is now attending the University of Michigan in Dearborn. He is employed with Avis Rent-A-Car at Detroit Metro Airport.

The wedding is scheduled for May 1992.

DeBrincat — Ash

Suzanne DeBrincat - Roger Ash Jr.

George and Donna DeBrincat and Roger and Sharon Ash are pleased to announce the engagement of their children, Suzanne Marie DeBrincat and Roger Eugene Ash Jr.

The wedding is set for Aug. 2, 1991.

Amy Brown - Brian Hogg

Montgomery —  
Poloskey

Mr. and Mrs. George Montgomery of Belleville are pleased to announce the engagement of their daughter, Christina Marie to Robert Earl Poloskey of Lincoln Park.

Christina Marie is a 1987 graduate of Belleville High Community College.

Robert, the son of Josephine Lewis of Wayne and Thomas Polosky of Brighton, is also a 1987 graduate of Belleville High School. He is majoring in Criminology at Eastern Michigan University, and is currently employed at Washtenaw Community College.

FOOD LOVER'S DIET

To introduce a new approach to dieting, free diet pills were given to 50 people. With The Omicron Diet, one man lost 14 pounds in 5 days and one woman lost 18 pounds in 10 days. The average weight loss was over a pound a day for women and over 2 pounds a day for men. The Omicron Diet is a revolutionary new concept for unbelievably fast weight loss developed and clinically proven by National Dietary Research of Washington, D.C. This significant breakthrough in metabolic weight control was made possible by the utilization of biological information overlooked by other diet programs. With a formulation of natural enzymes along with real food, you shed unwanted pounds extremely rapidly and safely.

Maintain your new weight forever without dieting!!!!!!

With the special enzyme formula Metabolase, it is now possible to reduce your usual weight by up to 10% or to maintain the weight loss after dieting, without changing your normal lifestyle or eating habits. Available through physicians since 1982, the enzyme formula is now available in pharmacies without a prescription. Start enjoying the foods you love to eat without fear of gaining weight. Metabolase now available at:
